MEMORANDUM FOR: Deputy Director (Plans)

SUBJECT: Preliminary Report of 117L Advisory Committee
Meeting at ITEK, Waltham, Mass., 1-2 June

REFERENCE: TS-159058, dated 8 June 1959

1. As promised in my personal report to you of the subject meeting (referenced memo), I am forwarding a copy of the Chairman's preliminary report which has just been received. I believe that most of the major items have been reported to you, but there are certain sections which you might now want to examine in some detail. Some of the interesting sentences have been underlined starting on page 4 and carrying over to page 13.

2. FIC has just been offered one of the monographic type of slide rules referred to in the starred item on page 7, and we will forward our comments to you after we have had a chance to experiment with it.

3. The next meeting of the 117L Advisory Committee will be held on 13 and 14 October at the Lockheed Aircraft Corporation, Burbank, California.
